written by Sascha Gonzales – Capo 3

Vers 1

Em
There is a road ahead – now I can see
D/A G6
your spirit within made me believe
Em G6 C/G
that when I felt lost – when I felt weak – it was all me

So I came to this church to show you my fire
D/A G6 Em
it's my choice – it's my desire – it's a privilege to feel
G6 C/G
you're alive in me

Pre Chorus

D/A G6
And you come running with your waters softening
D/A C/G
and all your glory makes me feel so alive
D/A G6
and I come brave and wild in all you're giving in
C/G
to know me

Chorus

Em D/A G6 C/G
Oh living God – your waters like a river
flowing like a river – oh, you're full of love
Em D/A G6 C/G
Loving God – with you it's like forever
a life lived forever in your glory, God
